

Clinical Expertise Wrapped in a Mother's Love

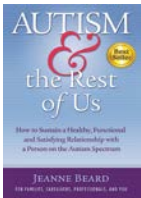

Dr. Timothy Wahlberg has been developing life-changing strategies for families with children on the autism spectrum through his work in a clinical, one-on-one environment for nearly 25 years. Dr. Wahlberg is the Founder of the Prairie Clinic in Geneva, IL, and acts as the clinical expert for the National Autism Academy.

Dr. Wahlberg has published clinical work extensively on the subjects of autism and neurological impairments, has spoken at local and national levels on autism and neuro-developmental delay, and also conducts training seminars at the professional level in these areas.

Dr. Wahlberg is the author of the book Finding the Gray: Understanding and Thriving in the Black and White World of Autism and Asperger's, written for the benefit of the families he treats in his private practice.

Jeanne Beard is a thought leader in the autism arena. The founder of the National Autism Academy, a speaker, coach, consultant and author of the Amazon Bestseller

Autism & The Rest of Us: How to Sustain a with a Healthy, Functional and Satisfying Relationship with a Person on the

Autism Spectrum.

Jeanne is a graduate of Northwestern University, and is retired from a successful 30-year career in business to business sales.

The mother of two sons, one diagnosed with Autism Spectrum Disorder and one diagnosed with ADHD, Jeanne is a certified life coach and dedicates her time to helping families find success, peace and inspiration in their life with autism. Jeanne has appeared on dozens of radio shows in many markets including iHeart Radio, Starcom Radio Network, KC Armstrong's WMAP, as well as being featured in the upcoming books by actress and advocate Jane Seymour, and the first edition of the "World's Most Amazing People" Book Published by KC Armstrong.

Show and Story Ideas:

- **Revise the ADA to Include Accommodations for Autism:**
In the USA today, there are roughly 3 times more people with autism than in wheelchairs, and No Accommodations!
- **Autism Integration: Making Space for Those with Autism**
What everyone should know about the simple requirements that support the success of those with autism.
- **What Is the Number One Thing Parents of Children with Autism Need to Know?**
A simple guide to understanding.
- **Is There a Connection Between Homelessness and Autism?**
If parents don't provide what is needed to help children with autism become functional and independent, we could be raising a new generation of the homeless.
- **The Power of Awareness; Harnessing the Hidden Talent of People with Autism**
The 3 biggest strengths of individuals with autism.
- **Is Autism the World's Most Misunderstood Diagnosis?**
Autism is not a disease to be cured!

The NAA Champions These Beliefs:

Education and understanding is the solution to the autism dilemma faced in the world today. Autism affects every member of a family. Focusing on and capitalizing on what individuals with autism *can* do is the key to success.
